

Have you heard of the Anusim? They're the Jews who were forced to convert to Christianity during the Inquisition. There are millions of them in South America. And they are waking up and reclaiming their Jewish heritage - as Messianic Jews!

This summer in Los Angeles, at the annual conference of the Union of Messianic Jewish Congregations, I was excited to meet one of the men who is leading this movement. Matheus Guimaraes is working with his father, Marcelo, through their organization ABRADJIN in Brazil, and they are doing amazing things. I have a profound respect for Matheus, not only for the work he is doing, but because he's a brown belt in my sport, Brazilian Jiu Jitsu! And on Matheus' side, he told me he was happy to finally meet me after following me for some time on Facebook.

So today I'm not going to share with you the story of one of my Hebrew students, I'm going to let Matheus tell you the story of the Anusim and what he and his father are doing to help them come home. Read it [here](#), and watch the video [here](#) or at the bottom of this email. You can also check out their website [here](#) and find Matheus on Facebook [here](#). Be prepared to be powerfully moved, especially by the video!!

Here's something else exciting! Hebrew Quest is now on Amazon and eBay. And you can help us reach more people with Yeshua's message! Here's how. Take one minute to give us a customer review. Five stars, say something positive, and you're done. BOOM.

Please, just do it! [Right here!](#)
